## Tribute to Jeremy Daw 1955-2021

Jeremy Daw (Jack to many of his colleagues) was well known in the village of Credenhill. He would often be seen walking his little Jack Russell, Siwa, with a cheerful smile and time to stop and talk to everyone.

He served his community not only as a Paramedic for almost 30 years, but also in the Territorial Army. He was a dedicated member of the Credenhill Parish Council, being involved in several lasting projects in the village, such as the Yazor Brook Flood Alleviation Scheme and the Roman Park changing facilities, and being a keen walker, it was with pleasure that he took on the post of Footpaths Officer. Added to this he gave his time as Editor of the Credenhill Community News. Jeremy could be relied upon to quietly and carefully get on with the task in hand, never putting off for tomorrow anything that could be done today.

He was a member of the Credenhill Social and Sports Club and a former member of the Hereford Company of Bowmen.

He was a keen metal detectorist and had recently purchased a new detector. Together with a friend he discovered a hoard of Roman coins near Kimbolton in 2013 and has helped to create and promote their display at nearby Stockton Bury Gardens, to share his joy of the discovery. Quite

appropriate as Jeremy loved all history, years ago he was a keen member of The Ermine Street Guard, a Roman re-enactment society, and took great interest in the archaeological dig here in Roman Park. More recently he was able to expand his local history knowledge and become an enthusiastic guide of Hereford City, sharing his love of history.

You may have seen him restoring one of several historic mileposts in the County, one of them here in Credenhill, opposite the entrance to the camp.

## Tribute to Jeremy Daw 1955-2021

Indeed, he was enthusiastic about everything he did and filled his days in so many interesting ways.

Jeremy was very much a family man, he and his wife Dawn made sure to build lasting memories for the children and grandchildren. They holidayed all together every year, at home, or abroad in his beloved Greece. He will be greatly missed and remembered well by so many of us.

Donations in his memory can be made to Leominster Meeting Centre via their Just Giving page to aid with their support for those with dementia and their carers.

<https://www.justgiving.com/leominstermeetingcentre>

The Parish Council would like to thank Jeremy for everything that he has done for the local community, our thoughts are with his family and friends at this difficult time.

Tribute to Jeremy Daw 1955-2021

# Credenhill Milepost

The Parish Council would like to thank local resident Jeremy Daw for the time and dedication taken to write the below article and for restoring the Milepost for future generations to enjoy.

I have a keen interest in history especially local history and I noticed this iron milepost near the Hereford Garrison main gates. The milepost dates from around 1840 and was slowly being smothered by road debris and foliage and at some point would be lost to view.

After some research I found out that all these old mileposts and milestones are grade 2 listed monuments and come under the care of the County Council

highways department. Unfortunately, not much attention or money has been spent on the care and upkeep of these important monuments. They may not look very interesting to the passing traveller these days but when they were set up they were very important.

Most of the stone mile markers date from around the 1700's and the iron posts to the 1800's.

Soon after the civil war in the 17th century it became apparent that transport and communications links in Britain were extremely poor. In winter time whole towns and communities could be completely isolated for weeks if not months. The government did not have the money or resources to maintain the roads so a vast system of toll roads called 'Turnpikes' were established. These 'Turnpike Trusts' were run by groups of local (mostly 'well-to-do') people who were allowed by an act of parliament to adopt a section of road, set up barriers, charge road user to use it, and in turn use the money to improve and maintain that section of road. This was before canals or railways.

This Turnpike roads were remarkable successful. You could get on a stagecoach in Hereford (albeit very early in the morning) and get to London the same evening.

*Credenhill Mile post continued...*

Many businesses, banks, solicitors and doctors relocated themselves to Hereford due to the improved transport system. Many wealthy landowners also felt that Hereford was the place to be to be able to conduct their business. There are many elegant town houses built by these people that can still be seen today, in St Owens Street for example.

I found a registered charity that attempts to care for and maintain mileposts called the 'Milestone Society', they have a very interesting web site. I also contacted the relevant authorities and asked for, and was granted, permission to clear the debris from the Credenhill milepost and to clean and repaint it using the Milestone Society guidelines and recommendations. It was very labour intensive but the results were well worth it. You can also see the makers mark on the base of it, 'C Hodges and son, Hereford Foundry', which was located in Friars Street. After being rescued from obscurity, this important reminder of the history of Herefordshire once again stands proud on the roadside.

I think you will agree that Jeremy has done a fantastic job!

### **Next Meeting**

It is uncertain at the time of going to print whether the next meeting will be held due to the nature of the current legislation in place. ***Please check the parish council website or notice board 3 days before the meeting date for the latest information. On the assumption that it will go ahead as normal:***

The press and members of the public are invited to the Ordinary Parish Council Meeting to be held at Credenhill Community Hall on 16th June 2021 from 19:30.

You will be able to attend the meeting by prebooking a place on our website, by calling the Parish Clerk or by emailing the Parish Clerk; this is to ensure that all track and trace information is gathered before the meeting and so that Health and safety information can be given to attendees.

There is a 10 minute slot at the beginning and end of the meeting for public question time where members of the press and public can speak.

### **Annual Meeting — Chairman's Report 2020-2021**

Before the report was read the Chairman asked the council to stand to observe one minutes silence in memory of Jeremy Daw.

The chairman then read the following report:

Well, here we are another year has gone by and what a year.

COVID-19 has dominated our lives causing us to go into lock down twice and some of us having to shield. I would like to think that when the second lock down came the village had become quite resilient. Though there was Rana's call line and assistance from the County Council, I am led to believe there was very little uptake on them.

As a Parish Council we have functioned without falter. For that we must thank Lee our clerk who kept us informed with the deluge of emails and information. He skilfully mastered Webex and we were able to hold our main meetings including other sub meeting.

We have had very little change to our council, and we have only one resignation EB who I thank for her time and work she did whilst serving with us.

*Continued on next page...*

It has been unfortunate that two Councillors were unable to join us on the virtual meetings, but I look forward to welcoming them back when we hold our next meeting together. Councillors I am thanking you for your support to me as Chairman, I am grateful to all the councillors and their dedication to ensuring that the decisions we have made are for the greater good.

I would like to thank County Councillor Mr Bob Mathews for his support and keeping us informed on all the items that the County Council make decisions on and effecting our village life. It has particularly difficult for him as he has gone through a very personal bereavement. Bob, you have always been in my thoughts.

The Parish Council has still functioned well and worked hard on many projects which I would like to highlight:

***We have supported the following charities & community groups with local grants:***

- ◆ COVID 19 Lunches from Dixies SOS – 1250 Lunches delivered to residents in the community £2500
- ◆ Magna Performing Arts – New staging £1570
- ◆ Credenhill Community Hall – Architect plans/consultation £1500
- ◆ Credenhill Social & Sports Club – New flooring in skittle alley £2500
- ◆ PCC of Credenhill – Churchyard Maintenance £800
- ◆ Hereford Community Clean Up Group—Litter Picking Equipment £250

***Projects we have completed during the year:***

- ✓ Completed a successful tender exercise on CCN printing to reduce printing costs
- ✓ Carried out the embankment repairs to rear of the Community Hall
- ✓ Registered Parish Council land with the land registry
- ✓ Completed the final legal documents for the Flood Alleviation Scheme
- ✓ Completed a significant amount of the ongoing repairs and maintenance jobs highlighted in the building's surveys; we are still on track but a lot remains to be done.
- ✓ We have supported the Hall & Social Club with ongoing refurbishment work.

*Continued on next page...*

**Two Parish Councillor Vacancies**

Would you be interested in joining the Parish Council?

For more information please get in touch.

**Looking ahead:**

- ⇒ We have established a way forward with the bus stop on the A480
- ⇒ We have formed a group of interested people to move the Roman Park charity forward
- ⇒ We have an ongoing budgeting process that will mean we can plan the Culvert Repairs in 3 years' time
- ⇒ We have a repairs and maintenance schedule and budget in place to continue to bring our buildings up to modern day standards
- ⇒ We have recruited a budding group of Volunteers to make the village a nicer place for us and the local wildlife

In a short while you will elect a new Chairman and Vice Chairman for the years 2021/2022. I have been Chairman now for 4 years this time round and I do think it is time to think about some new blood. If there is no one coming forward I will serve a further year if re-elected it will be my last term. As you know my health has been giving me a few problems and I do think the position needs someone who will give it their all. This I have not been able to do because I have been shielding but also, I do not have the energy. I will stay on to support the new chairman but only if it is requested.

As we move forward, I hope we can achieve more if lockdown is lifted to an extent that we can move our projects forward. Could I please ask the council to give priority to providing for the young who I know will struggle to adjust to normal living. This will lead to also sorts of behaviour that is not the norm. We have a good fund building for Roman Park and a new group of people willing to look at what needs to be done. We have plans well beyond our funds, but I am sure we can do it bit by bit.

I would also like to thank the villagers who have been happy to listen to me whilst I have been out walking my dog. I have received a lot of good ideas from you all and I have brought many of your concerns and ideas to the Parish Council.

**Terry Smissen**—Chairman to Credenhill Parish Council. 2020/2021

**Jenni Hurcomb has been elected as Chair for 2021/22**

**Martin Leaton has been re-elected as Deputy Chair for 2021/22**

**A BIG THANK YOU to Terry Smissen for his contributions to Credenhill Parish whilst serving as Chairman, Terry is remaining as a Parish Councillor.**

## The Vicar's Letter

Dear Friends

I quite enjoy Superhero films! Someone who arrives just in time to save the situation and answer everyone's prayer, just the way we wanted them to. We all love it when good prevails over evil!

God is not like a superhero in that respect. He always answers our prayers, just not necessarily the way we wanted them answered nor in our timing. In fact, usually he answers them in a completely different way. He asks us to trust his timing, his way, his plans rather than our own because he answers our prayers in a way that is best for us and is in accordance with his will and not ours. It can be really, really hard to believe and trust in God, but he reminds us to 'Trust in the Lord with all your heart ... and not in your own understanding' and he tells us to 'Wait for the Lord'. He is not our compliant Superhero - he is so much more than that. The perfect Creator, who loves his creation, sees all things, and for him nothing is impossible.

He sees the end from the beginning and is orchestrating everything to work for our good. When we receive Jesus into our lives, we don't just receive one who would be at our beck and call, but one in whom we can trust, perfectly, to do just the right thing at the right time, however wrong it may seem to us at the time!

Sometimes, when things get really difficult, we find it very hard to pray. If you or anyone you know needs prayer, we have a group of church members who are praying daily for various needs and causes. Apart from praying for individuals, we pray daily for the school here and for our Special Forces and for the hospitals, NHS and so on.

If you would like the Prayer Chain to pray for you daily, just give me a ring - it's absolutely confidential.

With every Blessing,

Rana

# June in the Garden

## Summer arrives

**June 21 is the longest day of the year, and the extra light and warmth encourages the garden to put on an exuberant burst of growth. But this extra light and warmth also means weeds will sprout up from seemingly nowhere. Keep on top of them by hoeing regularly in dry conditions.**

### **Top 10 jobs this month**

1. Hoe borders regularly to keep weeds down.
2. Be water wise, especially in drought affected areas.
3. Pinch out side shoots on tomatoes.
4. Harvest lettuce, radish, other salads and early potatoes.
5. Position summer hanging baskets and containers outside.
6. Mow lawns at least once a week.
7. Plant out summer bedding.
8. Stake tall or floppy plants.
9. Prune many spring flowering shrubs.
10. Shade greenhouses to keep them cool and prevent scorch.

## **YEAR 4 MONSTER MANIA**

The children have been creating monster characters for a piece of creative writing and modelling their characters out of plasticine.

Take a look at the children's colourful monsters below.

Last month we took part in Mental Health Awareness week, with a focus on nature and the environment.

The children participated in a range of activities embracing nature and making the most of the magnificent green areas we are lucky to have at St Mary's.

## CREDENHILL FRIENDSHIP CLUB

Hello everyone, we have exciting news!

We are arranging our first Meeting after lockdown and it will be a delicious BBQ on the 5th August starting time 7.30pm. Now this could be inside the bowling alley or outside depending on the weather! As of yet we don't have the cost for this.

Also we will be having a quick AGM and taking in a belated Club Subs of £12 (to ensure we have money in the kitty for Christmas).

Speaking of Christmas here is a date for your diaries... we are booked for The Bay Horse on Thursday 5th December at 12 noon.

As we hope for a form of normality to return I would appreciate it if you could bring with you on the 5th August BBQ some ideas of what you would like to have/do for future Meetings. It's hard to believe how years have passed us by due to this virus!

Thank you for your continued support look forward to seeing you on 5th August.

Regards

# Scouts

The beavers last zoom meeting was a very exciting one. We had Wye Valley falconry join us to give a talk and display of their incredible birds of prey. We are now making the transition back to face to face meetings and so far have made bird feeders and played footgolf. We have also invested new members who have recently joined us and presented a Beaver with their Chief Scout Bronze Award.

The cubs were meeting via Zoom and have now started back face to face meetings. The first week back we played some outdoor games which were run by our Young Leaders. Three Chief Scout Silver badges were earned during lockdown and presented when we met face to face.

Scout's have also continued to meet via zoom and are now meeting face to face. Scout's have enjoyed outdoor cooking with lots of different food they brought from home. They have also had a fun bike ride.

We are so pleased that so many of our young people could continue scouting online via zoom during lockdown and continue to earn their badges. We are now back meeting within our sections again and looking forward to many fun activities this term.

Scouting is run by volunteers and if you would like to volunteer or know more about what volunteering entails please contact our group.

# Brownies\*

## **Please help! We need leaders!**

Sadly, there is currently no Rainbows and Brownies in Credenhill because they no longer have leaders.

They need at least 2 people to run Brownies and preferably 2 for Rainbows so they can run as separate units but they have been a joined group in the past.

Anyone interested in taking up the role will be supported by guiders in the area. No experience necessary as training is available.

All you need is a creative mind, sense of adventure, enthusiasm and leadership qualities. If this maybe you, or someone you know, please get in touch and help save Credenhill Brownies and Rainbows.
