Next Meeting

The press and members of the public are invited to the Ordinary Parish Council Meeting to be held at Credenhill Community Hall on 13th October 2021 from 19:30 (a week earlier than normal)

You will be able to attend the meeting by prebooking a place on our website, by calling the Parish Clerk or by emailing the Parish Clerk.

There is a 10 minute slot at the beginning and end of the meeting for public question time where members of the press and public can speak.

Parish Council Update

We are pleased that the police have been proactive in engaging with the Parish Council to create a contract that will look to improve 3 key areas of concern in the village.

Following engagement with the community we agreed the areas would be: Speeding, Anti-Social Behaviour & Other Traffic Offences The police are holding a number of Community Engagement Events and will be attending the next Parish Council meeting to provide an update on progress made and to discuss any concerns. Please engage positively with officers to help us work to a Safer Neighbourhood.

We have applied for 2 Grants: Sports England Get Active Fund £10k towards a fitness zone/outdoor Gym on the Roman Park. £1.5k from the Tree Council to plant trees around the perimeter of the Roman Park. We are also working on 2 more Grant applications so hopefully we will see some success with these in the coming months.

The Asset Management Group have agreed a schedule of repairs and maintenance priorities for all of the buildings for the rest of the financial year which will see approximately £8,300 of improvements completed before April 2022. This continues the planned works as set out in the buildings surveys completed in January 2020 where 125 items were identified to bring our assets up to modern day standards; 15 additional defects have been added and 74 tasks have already been completed leaving 52. These will be phased over the next 8 years and completed in conjunction with the Community Hall and Social Club. All projects will be tendered for, so if you are a local contractor please look out for these or contact the clerk for more information.

The asset report and surveys can be found on the website for full details.

The Vicar's Letter

Dear Friends,

Hang on to hope!

The entire world around us seems to be changing doesn't it? We're all talking about the 'new normal' and wondering what the future will look like. Our daily routines have changed, as have our learning methods and experiences, our means of communication and our ability to meet with family and friends. It's all so strange and we now have to adapt to the changes. But God never changes!

He is the same yesterday, today, forever. We can hold on to life because of the hope that we have in him. Hope in the Lord is not a 'wishy-washy' kind of hope, but a sure, confident, positive hope, an anchor for our souls. Things may not turn out quite as we planned, but they will turn out according to God's will if we hold onto him. It's important we remember that he has promised never to leave us and that he is in this with us! Whatever happens, we know that ultimately God has the victory because Jesus won it over 2000 years ago. And that victory is ours, it's secure and it can never be lost. If we're in Christ, we're on the winning side! God still cares, still provides, still heals and still keeps his promises. And he still fills us with the Holy Spirit so that we can know his peace and presence. When we feel weighed down by cares and concerns, let's hold on to the hope we have in Christ, because the God of all strength and comfort will carry us through.

Life in all our churches in the Magnis Group Benefice (of which Credenhill is a part) is beginning to return to 'normal'. We are still feeling our way because Covid hasn't gone away and many of our congregation members are vulnerable, and we still have some restrictions in place to protect each other. So we ask people to continue wearing facemasks, use hand gel in all our churches and sit apart, where possible, from those they are not in contact with normally. Also we still just share bread and not the cup of wine for now - having been given assurance from the Liturgical and Faith and Order Commission who have been clear that this is still 'complete communion'.

Continued...

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

- Romans 15:13

The Vicar's Letter continued...

This month we celebrate the harvest mindful that the harvest is far from gathered and I know that farmers still have to bring in potatoes, maize, sugar beet, apples and other crops. So at our harvest services we also pray that these will also be safely gathered in. We will be bringing gifts for the Hereford Food Bank to our churches again this year and if you would like to contribute, please leave a box or bag of items in the church on Mondays, Wednesdays or Fridays or at 8 Hillside View, for us to deliver.

With every blessing,

Rana

Rogue traders, Halloween, road safety & more

Safer Homes

Say NO to rogue traders

We've seen some reports of rogue traders recently targeting elderly residents. They will often turn up announced and offer to carry out work to your home or garden and charge large amounts of money for very little work. These callers can also be looking to carry out distraction burglaries. To keep yourself safe:

- Shut windows and doors if you leave a room – it only takes a second for someone to lean in through an open window and steal a set of car keys.
- Consider putting a “no cold callers” sticker in your front window.
- Only pay for home or garden work from a reputable company. Consider checking reviews online or using a trusted website to choose a contractor.
- Consider investing in security accredited window opening restrictors and door chains.
- We have some window stickers for vulnerable residents if required. Just get in touch.

Halloween 2021

For some residents getting groups of young people turn up, all dressed up can be frightening. If you do not wish for callers at Halloween then get in touch with us and we'll get you a copy of our “No trick or treaters” sign.

Safer People

Don't fall victim to scams

A number of scams are still doing the rounds with reports of “courier fraud” in Herefordshire. Courier fraud is where scammers will ring an individual and pretend to be the Police, HMRC or another agency and attempt to convince

you that they need to come and collect your bank card and/or money. The Police will never ask for your bank details or money. To keep safe we advise the following:

- If someone rings purporting to be from the Police you can hang up and either ring 101 from a different phone or wait 5 minutes before trying from the same phone the call came in on. Scammers will often keep the phone line open.
- Never hand over bank details to anyone you don't know. The Police nor your bank will ask for PIN numbers over the phone.
- Report these calls to the Police and Action Fraud.

Dealing with anti-social behaviour

We believe everyone has the right to live and work in our community without being the victim of anti-social behaviour. ASB Awareness week may have ended but we thought we would share some do's and don'ts for dealing with it:

- DO call 101 to report incidents (or report online via our website).
- DO gather evidence. CCTV is a great way to identify offenders.
- DO discuss issues. Speak to neighbours, colleagues, friends, family and other residents locally.
- DON'T chase the perpetrators. Getting a reaction from you is exactly what they want. They'll keep coming back.

- DON'T shout at individuals. Shouting will encourage the behaviour.
- DON'T react to the behaviour. They will probably try to provoke a reaction and will likely return and continue if they know they'll get a reaction from you.

Safer Roads

National Speed Enforcement Campaign

July and August saw the National Speed Enforcement campaign fortnight. Working with our Roads Policing colleagues, checks were done at numerous locations across our patch including Credenhill, Tillington, Tarrington, Swainshill, Sutton St Nicholas and Withington just to name a few. We know that over 40 drivers were reported for speeding on our patch alone!

Tackling antisocial riding and driving

You may think that antisocial driving is confined to "boy racers" in supermarket car parks however rural areas can suffer with quad bikes and off road bikes tearing through recently harvested fields and down footpaths and bridleways. We rely on reports from residents to tackle these issues with recent positive results in Wellington, Moreton-on-Lugg and Credenhill where riders were issued a Section 59 warning. Where an individual gets 2 warnings in 12 months, we will seize their vehicle and it'll be crushed if they don't pay the recovery and storage fees.

Rural road safety

Anyone using the rural road network should appreciate that we do live in a rural area and as such this means sharing the highway with numerous types of agricultural vehicles. It's important, especially towards the end of the summer at harvest time, that motorists are aware of the dangers that may be present as farmers use the roads more. Extra care and patience should be taken during this time of year to reduce risk by not making dangerous manoeuvres.

Neighbourhood Matters

July 2021 marked the launch of Neighbourhood Matters, a new messaging service that allows Police to send alerts relevant to you and where you live, offering crime prevention advice, appealing for witnesses and letting you know what the Police are doing in your area. Sign up at www.neighbourhoodmatters.co.uk

We've seen the benefits of the system already, sending information out about a suspicious incident in Tarrington that subsequently led to the identification and arrest of a number of males for burglary.

What we've been doing recently:

Conducting patrols and visiting businesses, offering advice, reassurance and support.

Acting on community concerns raised by Parish Councils as part of the Local Policing Community Charter.

Leading investigations into Wildlife Crime across Herefordshire. West Mercia Police recently joined a National Police initiative named Operation Galileo, to tackle illegal hare coursing.

Church Warden's Report

Dear friends,

As you read this report, we will be well into the season of Autumn, cleaning and tidying of the church is well underway.

The church is now fully open for all our usual services on Sunday mornings at 11:00 and continues to be live streamed on the Magnis Web page. During the week, on Monday, Wednesday, Friday the church will be open for private prayer from 09:30 to 15:30.

In September we had a family Baptism of two young children from the village and it was an enjoyable morning welcoming them into their new church family.

Looking forward, we will be holding a special service for pets, a Harvest Festival, which will be held in the church and in November we will also be holding a Remembrance Service at the War Memorial.

Update on the easy fund-raising page. This is still open and to date has raised over £53 for our church. If you buy anything online, the church can receive a donation at no additional cost to you. All you need to do, is go to easyfundraising.com and sign in to support St Mary's Church, Credenhill.

Following the recent visit from "Through Faith Missions Those Who Bring Good News", who went around the village asking questions and gaining information on people's views on God and Faith. We would now like to give the local community the opportunity to express and give us feedback on your church and what you would like to see.

Please do not hesitate to tell us your views by contacting either Jamie or myself, Mike H, via e-mail. My e-mail address is, mike.honeysett1963@hotmail.com and Jamie's is meadowsj121@live.co.uk.

Looking forward to hearing from you.

Blessings, Mike Honeysett.

Brownies

Please help! We need leaders!

Sadly, there is currently no Rainbows and Brownies in Credenhill because they no longer have leaders.

They need at least 2 people to run Brownies and preferably 2 for Rainbows so they can run as separate units but they have been a joined group in the past.

Anyone interested in taking up the role will be supported by guiders in the area. No experience necessary as training is available.

All you need is a creative mind, sense of adventure, enthusiasm and leadership qualities. If this maybe you, or someone you know, please get in touch and help save Credenhill Brownies and Rainbows.

YEAR 3 NEWS

During their last Forest School session of the Summer Term, Year 3 found a letter from the Fairy Princess Possom Blossom, asking for help to rebuild the fairy village after it was destroyed by giants.

The children thoroughly enjoyed their Forest School session and came up with some very imaginative homes. On the return from the woods the children wondered if they were the giants and discussed the impacts of our walks in the woods and the impact of cutting down trees.

YEAR 5 GARDENING NEWS

The children in Year 5 last year had been growing fruit and vegetables and looking after their own raised bed in our Kitchen Garden.

October in the Garden

Although we had some warmer days over September, the autumn is now definitely here for real, and it feels colder.

It's a beautiful time of year, with the trees changing colour. Sometimes it may seem pointless raking, when the wind blows even more leaves onto the lawn, but just think of all the lovely leaf mould you can make!

It's also time to start preparing for early frosts.

TOP 10 JOBS THIS MONTH

1. Divide established rhubarb crowns to create new plants.
2. Cut back perennials that have died down.
3. Divide herbaceous perennials.
4. Move tender plants, including aquatic ones, into a greenhouse or conservatory
5. Plant out spring cabbages.
6. Harvest apples, pears, grapes and nuts.
7. Prune climbing roses.
8. Finish collecting seeds from the garden to sow next year.
9. Last chance to mow lawns and trim hedges in mild areas.
10. Renovate old lawns or create new grass areas by laying turf.

A Heart Felt Thank You

We would like to express our thanks to the community for helping us in locating our dog, Chocky. We had people searching and delivering leaflets for two days.

Sadly our dog Chocky was found deceased in a field close to the bridal path. He was not easy to spot as he was off the beaten path amongst thistle bushes, luckily another dog found him and the owners alerted us straight away.

Thank you to everyone who assisted, the help was over whelming and was true community spirit.
