

Friday 19th December 2024

Dear Resident/Occupier,

Surface Dressing Preparation Works – C1095 Tillington Road from the A4103 to Tillington Common

As a result of a further £2 million capital investment in the highway network, the road outside or in the vicinity of your property is programmed to benefit from surface dressing preparation ahead of the surface dressing at a later date.

These works are programmed to take place in 3 stages as detailed below:

- Stage 1 - Monday 6th January – Wednesday 8th January 2025 (between 08:00–17:00)
- Stage 2 - Thursday 9th January – Wednesday 15th January 2025 (between 08:00–17:00)
- Stage 3 - Thursday 16th January – Friday 24th January 2025 (between 08:00–17:00. *Please note in the vicinity of the school, between Redstone junction & the Bell Inn, Tillington, these hours will be between 09:00-15:30 to allow for school drop off/pick-ups*)

This length of road has been identified for such works following detailed and comprehensive surface and structural condition surveys that help us to objectively prioritise where we need to invest across Herefordshire's highway network.

Surface dressing is an important part of our maintenance programme and helps to extend the life of an existing surface, reduce further deterioration of the road's condition, improve the skid resistance of the road surface and seal the road against water preventing potholes forming in winter.

Formal signage will be displayed on the road informing you of the intended dates of the works and diversion routes. Please ensure that you observe these signs and take note of the dates that are stated. If there are any changes to the programme of works in your road, we will make sure the signs are updated.

Please note, the signed diversion route is for all vehicles to avoid narrow roads that will cause problems if not adhered to by the larger vehicles.

We will do all we can to provide vehicular access to properties, although there may be times when we are not able to do so safely or there may be delays. You can get help and guidance from the dedicated marshals on site.

We are sorry for any inconvenience this may cause you, but we will do all that we can to minimise the impact of our work whilst this work is undertaken.

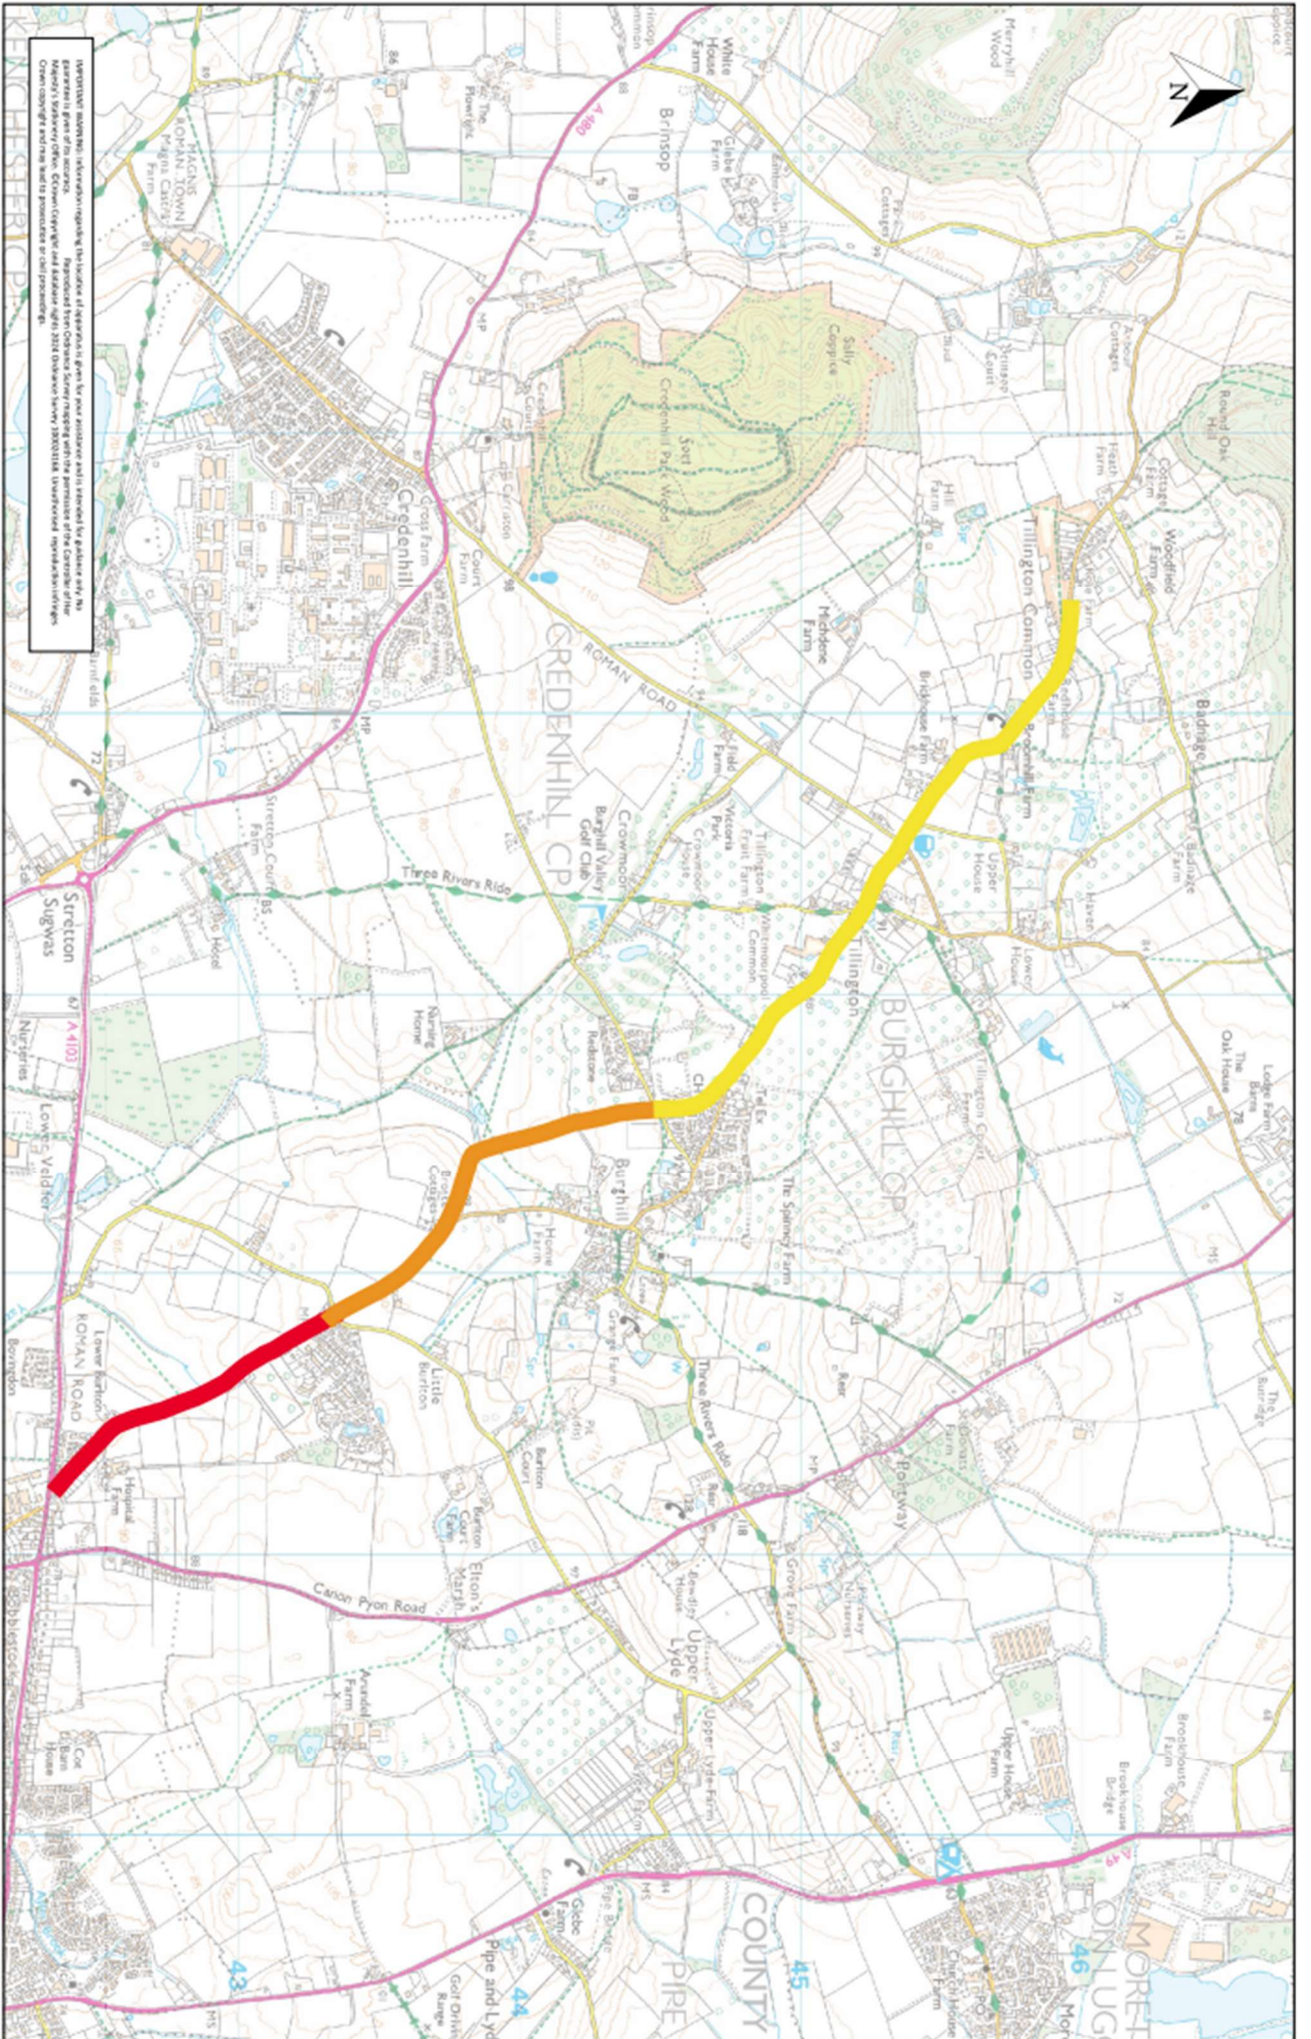

Please see the reverse of this letter for an indicative plan of the surface dressing preparation area of works.

If you have any questions about these works then please email bj@herefordshire.gov.uk or call on 01432 260970. Due to Christmas, there may be a delay in response however we will endeavour to get back to you as soon as possible

Yours faithfully,
Herefordshire Council
