**4. Public Question Time**

Opportunity for members of the public to raise issues or ask the Parish Council questions.

Local resident, Sarah Lewis (SL), gave an update on the Dog Exercise Area and Play Park in the Oak & Elm Estate managed by Citizen Housing. SL mentioned that a lot of people from the village use the area, including people from outside the estate (which is unadopted private land funded by the housing association). SL asked the Parish Council to consider setting up another area for dogs in the parish to alleviate pressure on this small area. Noted that the Play Equipment is nearly complete with just 1 accessible item to add, thanked the PC for their support through the whole process and acknowledged that once the issue was escalated in Citizen that they had been very supportive of the local needs within the estate and the areas have been well maintained since.

CA agreed to help with any new areas created within the Parish for Dog walkers, can the Roman park be considered?

Clerk noted that the Roman Park as well as the play area in Dovecote Lane both have Public Space Protection Order for Dog Control in place and that both areas fully exclude dogs under law; this order would need to be amended before allowing any dogs into the park. Additionally, the Parish Council would need to consider safeguarding legislation as the children's play areas are not fenced therefore a fenced area for dog exercise would be required. We would need to investigate the required specification for any fencing and look at the costs involved however it is all possible.

The Parish Council thanked Sarah Lewis for her persistence in working with Citizen Housing to bring the play area and dog exercise area back into use — an essential amenity for local families. Well done, Sarah.

**5. Minutes**

PB proposed to approve and sign the minutes of the Ordinary Parish Council Meeting held on 18<sup>th</sup> February 2026, seconded by DF.
