Next Meetings

The press and members of the public are invited to the
Ordinary Parish Council meeting
at

Credenhill Community Hall

on 16th September 2026 from **19:30**

There is a 10 minute slot at the beginning and end of the meeting for public question time where members of the press and public can comment on agenda items, and raise any concerns about Local matters.

Planning Application Update: P262019/O

Following our initial informational letter distributed on 20/21 May 2026, **Credenhill Parish Council** is providing an update regarding the outline planning application **P262019/O**. The application has now been formally submitted to **Herefordshire Council**.

While the standard public consultation deadline on the planning portal is listed as **27 August 2026**, the Parish Council has secured an extension to ensure it can fully participate in the normal way.

Official Extension Secured: The Parish Council has formally arranged an extension with the Local Authority. We have until **17 September 2026** to submit our official consultee comments.

16th September Meeting Discussion: This extension allows us to discuss the application in the normal way at our next scheduled Parish Council Meeting on **16 September 2026**.

Understanding the Scope: This is an “**Outline application with all matters reserved, save access, for a development of up to 250 residential dwellings (Use Class C3).**” This means detailed elements like the specific layout, appearance, scale, and landscaping of the housing are not being decided at this stage. Instead, the review is strictly focused on **the principle of development** (building up to 250 homes on this site) and the **proposed highway access arrangements**. Residents should focus their feedback on these specific matters.

Parish Council Submissions: We warmly welcome correspondence from local residents. You are invited to share your views with us or address councillors directly during the public participation slot at the **16 September** meeting.

If you would like to share your thoughts with us before the meeting, please email the Parish Council Clerk with your comments clerk@credenhill-pc.gov.uk

Parish Council Update

Roman Park - Early Years Play Area (0-5 Years)

A tender process has started for new play equipment in the Roman Park to replace the old swings and multiplay with slide. The Parish Council has invited a number of commercial play suppliers to provide designs with a budget of £25,000. This reserve has been built up from the precept since 2020 along with a £1,000 donation from local resident Mr Newman in 2021 this will allow us to invest in these much needed improvements. We are expecting designs to be available at our September meeting to make a decision so that the project can be completed before the end of the year.

Roman Park - MUGA Update

£45,000 was received for Sports Facility Improvements at the Roman Park as a result of the 67 houses built in the Oakfield View Development. This money is being used to install a MUGA around the old Tennis Court. The new facility will have goals and basketball hoops at both ends and the Tarmac will be refurbished and line marked. The project is currently at the tender stage where prospective suppliers can put forward bids for the contract, once this process is complete the project can be delivered, he hope by the end of the year however the process is more complicated due to it being over £25k which has to follow a longer process.

New Fencing - Life & Soul Kitchen/Hall Club

New fencing has been installed between the Café & Hall, this was agreed during the initial lease negotiation's when the Life & Soul Kitchen moved in but had been delayed at their request pending building of the extension. Due to funds the extension is not going ahead so the fence has been installed along the lease boundary instead of off the side of the extension as previous requested. We hope that this will provide a more secure facility to protect their assets.

A second fence has been installed between the Hall & Club, this forms the lease boundary between the 2 organisations. This will help the club to formalise the rear patio area and we will be installing a ramp from the rear of the hall for improved access.

The Vicar's Letter

Dear Friends,

This will be my last letter to you as your vicar. On Sunday 13th September at 11.00am I will preside at my last service as your incumbent, and I would be delighted if you were able to come and share that moment with me. Afterwards there will be a lunch gathering at Headway, and you would be very welcome to join us there too. Although my official retirement date is 30th September, the final weeks will be spent packing up the Vicarage and preparing to move back to our farmhouse in Dorstone.

It has been a joy and a privilege to serve as your vicar. There have been challenges, of course, but far more blessings. Sharing in your celebrations — baptising your children, witnessing your marriages, marking milestones in family life — has been one of the greatest gifts of my ministry. There have also been times of sadness, when I have made dear friends and then had the honour of conducting their funerals. That is never easy, but when I knew they had placed their trust in God, it was a comfort to commend them into his eternal care. Committing someone to the Lord is one of the deepest privileges a priest can have.

Many people have asked, “Who will be replacing you?” The honest answer is that it will take some time before a new priest is appointed. Over the coming months the parishes will work together to produce a parish profile describing the area, its character, and the hopes for future ministry. This is a shared task for churchwardens and PCC members, and if you would like to contribute your thoughts, please speak to Donna Jones, the churchwarden at Credenhill. Together they will reflect on the needs of the benefice, the pattern of worship, and the qualities they seek in a new incumbent who can help lead the churches forward.

Once the profile is complete, the post will be advertised, a shortlist drawn up, and interviews arranged. In the meantime, the churchwardens will ensure that Sunday worship is covered by visiting clergy, and we are fortunate to have several licensed lay leaders who will continue to support services across the benefice.

Continued ...

The Vicar's Letter continued...

It is possible that the next appointment may not be a full time priest, as there is currently a national shortage of clergy. Nevertheless, I will continue to pray that the right person is called to this wonderful benefice — someone who will love and serve you as I have tried to do.

Thank you for the kindness, patience, humour, and faith you have shared with me over the years. It has been an honour to walk alongside you.

With every blessing,

Rana

News from the Church Warden

Thank you to everyone who supported our recent Party in the Garden. Sadly, the exceptionally hot weather meant that it wasn't as well attended as we had hoped, but we are very grateful to everyone who came along and helped to make it a lovely occasion.

A huge thank you to all those who donated cakes and raffle prizes, helped with the preparations and clearing up, and supported the event in any way. We are particularly grateful to Deana for kindly hosting us in her garden. Your generosity and support are very much appreciated.

A time of change

September brings a period of change for our Benefice as Rana retires. We would love as many people as possible to join us for her final service on Sunday 13th September at 11.00am at St Mary's, Credenhill. Following the service, everyone is warmly invited to join us for a buffet lunch at Headway House at 12.30pm, where we can thank Rana for all that she has given to our churches and wish her well for the future.

As we enter a period of interregnum, a working group will be coming together to prepare a Statement of Needs for our Benefice. This will help us to consider what we need from our next priest and how we can best serve our communities. It is likely that the post will not be advertised until around April.

In the meantime, if you have any questions or would like to speak to someone about church matters, please do get in touch with me:

Donna Jones - Church Warden - Tel: 07937 651687 - Email: donna.jones4249@gmail.com

You can also contact our Non-Stipendiary Minister:

Angie Deane - Tel: 01981 590615 - Email: angiedeane11@outlook.com

For matters relating to the wider Benefice, our Rural Dean is:

Rev Andy Dodswell - Tel: 01432 655063 - Email: beneficeoffice@stpaulshereford.org.uk

Can you help?

During this period of transition, we would particularly welcome anyone who feels able to offer a little of their time to help our churches continue to be a welcoming and supportive presence in our communities.

There are lots of ways to get involved, including:

- offering pastoral support and visiting;
- joining or helping with our prayer chain;
- helping to lead Open the Bible sessions at St Mary's School;
- supporting services, events and activities in our churches.

You don't need to have lots of experience or be an expert - just a willingness to help and be part of our church community.

If you feel you could offer some time, or would simply like to find out more, please get in touch.

Every contribution, however small, can make a real difference. We are particularly looking for volunteers to clean the church (hoovering and dusting)

Look out for details of our upcoming Marches Choir Evening - Teatime Treats, taking place on Sunday 20th September at 5.00pm

Come along and enjoy an evening of music, singing and delicious teatime treats. More details can be found in this edition - we hope you'll be able to join us!

We look forward to the coming months and to continuing to work together as a Benefice, supporting one another and our local communities.

Help Us Make The Life and Soul Kitchen More Accessible

We are a local charity providing valuable support and provision for disabled adults, and we are looking for a little help from our local community.

We are hoping to improve accessibility at **The Life and Soul Kitchen** by laying a patio area, creating a safer and more accessible route for the people who use our café and services.

We are looking for volunteers, local businesses, tradespeople or anyone who may be able to lend a hand with **labour, materials, equipment or expertise** to help us make this important improvement.

Your support would make a real difference to the people we support, helping us create a more welcoming and accessible space where everyone can enjoy the café.

In return...

As a small thank-you for your kindness and support, we would be delighted to offer everyone who helps us a **free cooked breakfast at The Life and Soul Kitchen!**

If you can spare some time, donate materials, offer equipment or simply have the skills to help us get the patio laid, we would love to hear from you. **Together, we can make The Life and Soul Kitchen more accessible for everyone.**

Please get in touch with us if you can help or would like more information.

**Thank you for supporting our charity
and the disabled adults we provide for.**
